みらいTO日本語学院
Mirait Japanese Academy

Miraito Japanese Academy

School features

We are raising a person who masters needed subjects to enter graduate schools, universities, and technical schools, useful business manners and communication skills in Japan and international society with Japanese and who will contribute the nursing care business industry.

Actively supporting career for the nursing care rehabilitation industry

OJT at a nursing facility

As our affiliated company runs a nursing facility, we provide more practical experiences, including practical Japanese vocabulary and situational conversation model, for students who are interested in the nursing care/rehabilitation industry to support their future career.

Communication experience

Detailed support system for academic career

Homeroom teacher system

In addition to job career, we offer detailed guidance for university/college applicants, including other subjects (to study abroad and English) and study plan reporting. To realize their dreams, our homeroom teacher allows regular consultation for all students, which will improve their academic ability with the basic stable life surely.

Regular consultation

みらいTO日本語学院
Mirait Japanese Academy

Mirait Japanese Academy is a Japanese language school newly opened in Ogaki, Gifu in April 2020.

Mirait is derived from our desire that our students become a globally active person, a bridge between the world and Japan in the future. We offer secure and full support system for daily life as well as study so that students can focus on study at ease.
